

Want to dig a well? Send a child to school? Help a mother provide food for her family? Support peacemaking?

The **CWS Africa Initiative** is doing all those things — and so much more — incorporating five critical areas of concern:

- **Hunger and poverty alleviation**
- **Peacebuilding**
- **Displaced people**
- **Water**
- **HIV/AIDS**

The Africa Initiative is your chance to help people on the African continent achieve a quality of life that we believe was God's intent for humanity. *You and your congregation can be part of this life-changing journey of partnership and hope. Please give generously through your local church or directly to:*
