

Tools Build A Better World

Father's Day Sunday June 15, 2008

A special day set aside to celebrate the fathers who have shaped our lives with their labors of love.

A day when Church World Service honors fathers around the world by providing the right tools at the right time for men, women, and young people to earn a livelihood after disasters, wars, or many years of deprivation.

A day when churches give thanks and honor fathers everywhere by providing ***Tools of Hope*** on Father's Day *or* for a month of Sundays ...*or* maybe at another special time of year—Thanksgiving or Christmas

To help you do a Tools appeal, Church World Service Tri-State Office offers these resources:

Order Now

- Congregational Kit (Leader's Guide, "Turning the Tide" DVD, Poster, and other materials needed for an engaging Tools & Blankets celebration.)
