888-297-2767, by April 7

free will offering to benefit the Giving Hope Program

“Giving Hope” is a faith based
Program of Compassion and Empowerment of Children Raising Children

...protecting the rights of, and providing support to, 30,000 orphans and
vulnerable children affected by HIV/AIDS, empowering them with skills to
manage their own well-being and successfully support their families, to
participate in the social and economic development of their communities,
and to begin living their dreams of a hope filled future.
